18 June 2018

Ms. Mary Cooksey, Chairperson
Kentucky Lacrosse Umpires Board
4513 Dove Park Blvd.
Louisville, Kentucky 40299

Dear Mary:

I have recently been offered the position of **State Coordinator, Officials Development**, for Kentucky with US Lacrosse. I have accepted the position.

As the State Coordinator for Kentucky I shall serve as the primary liaison for Kentucky in connection with US Lacrosse. I will assist with gathering and providing information to and from the Kentucky Lacrosse Umpires Board (KLUB) and the certified trainers, observers, and assignors in Kentucky. I will work with US Lacrosse staff and our Region Coordinator directly to help identify areas of strength, need, and opportunity for development of officials throughout Kentucky.

I shall be reporting to Mr. Charlie Obermayer, Senior Manager, Officials Development, US Lacrosse. He has asked that I not make my acceptance of the position public until now.

In communications with Mr. Obermayer, he and I agreed that it would be a conflict-of-interest for me to serve in the State Coordinator position and hold an office in the Kentucky Lacrosse Umpires Board. As a result **I am resigning as vice-chairperson and chairperson-elect of KLUB effective on the date of this letter (18 June 2018).**

Mr. Obermayer has permitted me to remain in the position as vice-chairperson for a limited time as a search for a replacement is conducted. I can remain in the position no longer than 31 August 2018 if you believe that will be helpful. I can also assist in the search for a replacement. Please let me know if you want me to remain in position for this limited period after 18 June 2018.

Fortunately, this position will not keep me from being a member of KLUB and working as an umpire, trainer, and observer. I shall be able to assign short-term off-season leagues if needed by the assignor.

I am looking forward to my new position within US Lacrosse. I believe that as State Coordinator I can make a long-term contribution to the sport, our association, and individual umpires.

Sincerely,

John Wesley Slider
